

Prayer For Toxic People In Your Life

Heavenly Father, there are people I've brought into my life that are not of You.

Bless me with the spiritual gift of discernment to know and understand those who take me away from You. Give me the strength to release them and let go.

Fill me with love for my enemies. I pray for those who mistreated and abused me, as I turn to You for my upliftment, healing and release.

In Jesus name, Amen!
