

Prayer Overcoming Complaining

Heavenly Father, take away this
complaining spirit.

Let me see your glory all around me.
I've complained about the day, the job,
my co-workers, my employers, my
spouse, my children, my neighbors.
Lord, let Your light and grace shine
through me so others will be blessed
where they are.

Instead of complaining, I choose to
bless all those I come in contact with. I
choose to be a channel of Your love.

In Jesus name, Amen.
