

# Prayer To Be A Blessing

Heavenly Father, open my eyes and heart to see the opportunities you place before me to give to others.

Lord, there are times I use so many excuses not to give. Help me to push past this and enjoy giving all that you have blessed me with. Show me Lord, how I can bless someone today.

May I truly be a blessing to those I encounter along my life's journey. Father, thank You that You have blessed me every day of my life. For You, Lord, are good and Your mercy continues forever.

Amen.
