

Prayer To Overcome Loneliness

Heavenly Father, I will not fear or be
dismayed, for you are my God.

You will strengthen me and help me.

And so I cast all my anxieties upon
you, because I know you care.

You heal the brokenhearted.

And I know my heart is being
mended.

Cover me in your loving arms.

Take away this feeling of loneliness
and bring back my smile and inner joy.

In Jesus' name, Amen!
